AMENDED SEQUENCE LISTING

Dear Sir:

Applicants file the attached sequence listing and provide the enclosed computer readable disk for the national phase filing of the above-identified application for patent.

Applicants hereby state that the content of the paper and computer readable copies of the Sequence Listing, submitted in accordance with 37 C.F.R. §§ 1.821(c) and (e), are the same and that no new matter has been added.

This sequence listing was originally filed November 21, 2001. Attached is a copy of the stamped postcard. However, the sequence listing may not have been entered. Applicants

request that the sequence listing herein be entered in the instant application. Applicants note that the sequence listing enclosed herein has been amended from the version originally filed on November 21, 2001.

Respectfully submitted,

Jila Bakker, Registration Number 53,962
